M19804

The image features a dark gray, textured background with a repeating geometric pattern. The pattern consists of squares and octagons arranged in a grid. Each square is surrounded by an octagonal border, and these octagons are further enclosed by another square border, creating a complex, interlocking design. The lines forming the pattern are a slightly darker shade of gray than the background, giving it a subtle, embossed appearance.

M19602

M19604

M19706S

The image features a dark green, textured background with a repeating pattern of light-colored hexagons. The hexagons are arranged in a staggered grid, creating a honeycomb-like structure. The lines forming the hexagons are a light, metallic-looking color. In the bottom right corner, the text 'M19708' is printed in a white, sans-serif font.

M19708

The image features a dark blue, textured background with a repeating pattern of gold-colored hexagons. The hexagons are arranged in a staggered grid, creating a honeycomb-like structure. The gold lines are thin and have a slight metallic sheen. In the bottom right corner, the alphanumeric code 'M19703' is printed in a clean, white, sans-serif font.
