# INSTALADO

# INSTALADO

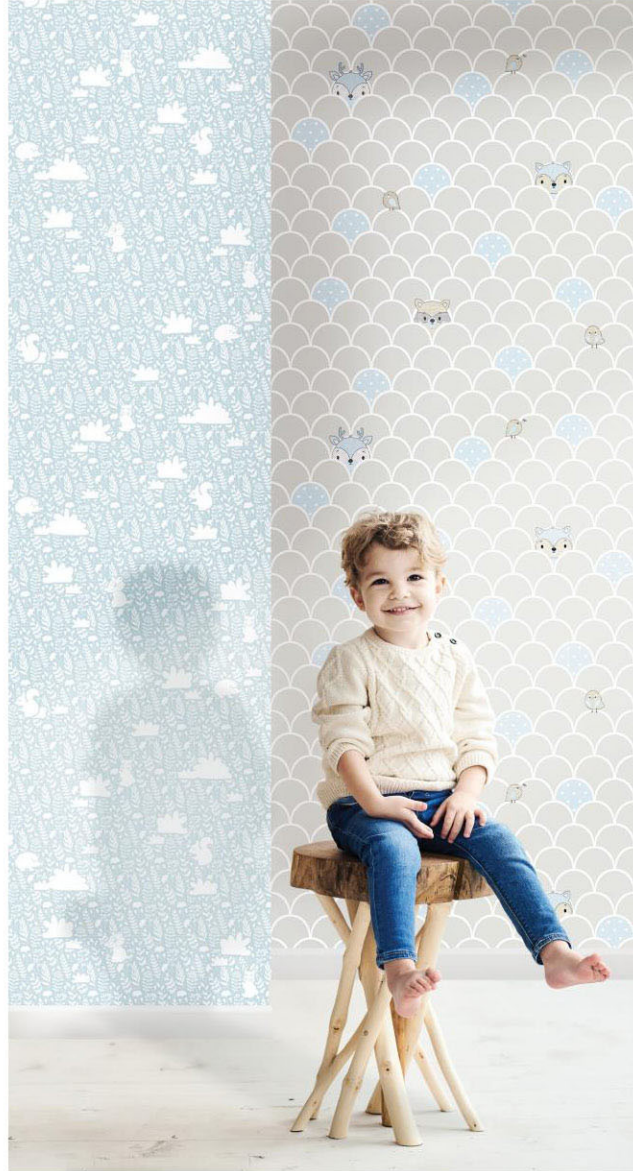

Colours, materials, motifs and decorations all recalling a far and unknown tropical balance of vegetation, animals and patterns of tropical use able to create a funny but cozy room. The trend keeps on evolving and becoming smoother and smoother through the choice of pastel colours. Perfect for brand new design themes!

Natural Essence

# INSTALADO

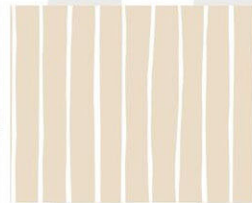

# INSTALADO

## WoodLand

Welcome to this fantastic and cozy woodsy forest, where you can find the "tree and deer" some between trees that "involve" your baby in a wonderful enchanted landscape. Great open spaces, nature elements and essential textures are the main aesthetic drawing and vibrant colours to offer you with softness and good. A very cute and trendy to many different sizes and colors.

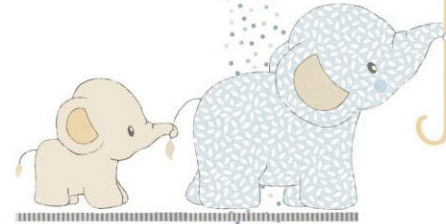

# INSTALADO

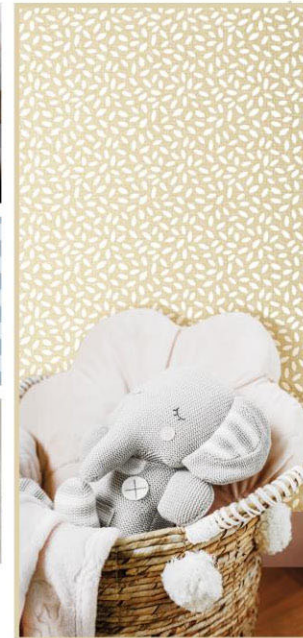

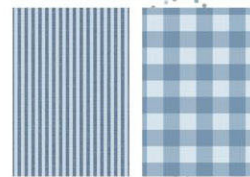

# INSTALADO

## Elephant's Breath

Have you ever been something  
more adorable than life?  
The sweet time can get  
more become a canvas where  
project a world of childhood  
fantasy.  
The elephants with their trunks  
and sweet look create an  
unforgettable time more of  
original, serene and delicate  
nuances.

# INSTALADO

## Wild Safari

If you are in love with adventurous trips into the desert, this style is the one for you. A young gender-free style where natural details make up to create a simple and outer atmosphere. Colours vary from earth and warm ones to chameleon greens to fit in with neutral tones of cream and beige. The chromatic palette perfectly matches the boho decoration, from macramé tapestries to rattan cones and neutral fabrics.
